Our patients inspire us with resilience and strength

*"Coming to Phoenixville Free Clinic to serve patients is the highlight of my week. I am honored to be a volunteer physician to patients whose resilience and strength inspire me every day."*

**Dr. Sumita Roy-Chanta, Volunteer Provider**

## We Need You

We are currently recruiting Volunteer Primary Care Physicians (Family Practice or Internal Medicine) to help expand access to care. Your time and expertise can make a life-changing impact on someone's health—and life.

- Licensed and Board Certified or Board Eligible physicians
- Flexible commitment: once a week, every other week, or once a month.
- Choose half-day or full-day availability
- Supportive team with bilingual staff
